Kingfishers	---	Isla	Harry Katie	Luke Ethan
Jackdaws	---	Emi	Freya	Angus
Ospreys	Hattie Billy	Isla	Sahara	Camren
Please see the school story on Class Dojo for the presentation				

Dear Parents

Hello again everyone. I hope that all is well in your households. School is going well; the few children that we have physically in school are accessing their learning in the same way as the children at home and settling into a new routine. It seems that we have spent the last year 'settling into new routines' but hopefully, with everything that the government are doing, we will be getting back to normal soon. (Fingers crossed)

It has been great to see so many children joining in with the Zoom lessons, we have been keeping records of who has been able to attend. Please try to log-in a bit earlier than the scheduled time to allow for any technical issues to be resolved and if you are having bigger issues (EG lack of up-to-date devices) please let us know, as we may be able to help out in some way. The weather this week has interrupted a few of the connections from the school-side which is disappointing but everyone worked really hard to make the best of it.

I have also been looking at all the work that has been uploaded to Class Dojo which I am really impressed with. I know that the teachers have also been impressed with the levels of engagement in the learning – some children (and parents) in particular are doing an amazing job.

Please remember that the maths and the English learning is designed to be done on a daily basis if possible but other tasks can be more flexible to fit in with your home life. Obviously scheduled Zoom lessons can't be flexible but we will try to stick to set times for these to help you keep track. Class Dojo (or Tapestry in Pipits class) is where to look!

All in all, things are moving along and we will no doubt hone our practice over the coming weeks and before long we will all be experts!

One last thing – remember all the other things that are important:

- Have some free time
- Go out for walks
- Read for pleasure – not just school books
- Play some games; build a den;
- Do some colouring or other craft activity
- Drink plenty of water
- Do some cooking
- Have at least a few hours away from screens – especially in the evening
- Make time to relax and do nothing!

And this list is for ALL members of the family: children AND adults
