Dear Parents

Just a short letter this week. I feel quite 'out-of-the-loop' as I have been out for three days on first aid training. I am now up to date and although I have done first aid courses since I was 15 years old in the St John's Ambulance Brigade, advice does change and there are still new things to be learnt. For example, I learnt how to use a defibrillator for the first time this week.

I hope those of you who have had the virtual parents' evenings this week found them a success. If this system is more convenient we can look at doing this in the future. The rest of the meetings will be next Wednesday, unless you have arranged something else with the class teachers.

The weather is proving very changeable at the moment. Although we do have a few spare coats in school, we do not have a huge supply so several children had no coat to wear at lunchtime today when it was raining. Please ensure that your child has at least a light coat in school every day.

Water bottles have also been missing for a few children. We want the children to have access to water to drink during the day but we don't have the bottles on the tables all day as they get in the way and get knocked over. This means that it often isn't until lunchtime that we notice someone doesn't have a drink with them so they haven't had a drink for nearly four hours.

Don't forget that Monday is Bank Holiday so we will see the children on Tuesday, enjoy the long weekend.

Lee White
