Dear Parents

Lovely to see everyone back raring to go again this week and I hope that you all had a wonderful half term.

Now that the weather is warming up (finally) please remember to send a water bottle in with your child. We have invested in large plastic carriers to move them around so that they can be taken out to play as well. We will be encouraging all children to drink from their bottles frequently throughout the day.

Please also supply a sunhat for your child to wear outside, especially for lunch time where they are out playing in the warmest part of the day. If you need to apply sun-cream, please do this in the mornings as most children are unable to do this themselves.

**OUTDOOR LEARNING**

Please keep an eye on the diary dates at the bottom of the newsletter each week as the outdoor learning dates are on there. Children will need to come to school appropriately dressed on those days.

So that you can add them to your diaries, these are the dates that we have booked:

Kingfishers: Every Wednesday with the exception of 14<sup>th</sup> July – children need packed lunch

Jackdaws: 24<sup>th</sup> June, 8<sup>th</sup> July, 22<sup>nd</sup> July (normal lunch routine)

Ospreys: 28<sup>th</sup> June, 5<sup>th</sup> July, 19<sup>th</sup> July (normal lunch routine)

**REMINDER****DROP OFF 8.50am-9.00am**

We can now allow parents arriving by car to walk through the church yard to drop off their children **at the little brown gate**. Mrs White will still be supervising the lane drop off from 8.50am so children will still not be able to access the school site before then. Those who arrive on foot via School Lane will stick to the same routine – arriving from 8.50am.

**PICK UP at 3.30pm**

Parents of **Pipits class** can collect from the playground. Please wait in the playground down near the Pipits classroom. Children can then be sent directly to their parents from the classroom.

All other classes will continue to be walked out with their teacher and be collected either by the gate in School Lane or walked up to the car park as this system works well. If a child has a sibling in Pipits, they can go directly to the parent who will be in the playground.

# School Diary Dates
