Dear Parents

What a lovely week we have had. I have been out at lunchtime most days this week and seen the children really enjoying the increased range of equipment to play with during their free time. If you have any small games such as card games, Top Trumps, UNO etc they go down very well. As does Jenga. Old colouring books are also very popular along with pens and pencils. If you happen to be having a clear out before Chr****as please consider donating 'previously loved' games to school for our playtime hoard!

PARENTS' EVENINGS

Virtual parents' evenings will be held in the week after half term. The signing up sheet will be outside near the entrance to the church on the school side next week at drop off. Of course, if you would prefer telephone or face-to-face meetings, please contact the office by email and they can forward your request to the relevant teacher(s) who can arrange that for you.

NEW OUTSIDE CLASSROOM

During the half term I have arranged for an outside classroom to be built in the area where 'the big tyre' is currently situated. This will be the same style as the one in Pipits outdoor area. There will be benches inside and outside it with planters to create a quiet area big enough to take a whole class. This will be a big improvement for the school and will be perfect for doing circle time, group interventions and many other things.

We will also be making some raised planters to go on the raised area down the far end of the playground which will be developed as a gardening area. We will be needing top soil and manure to fill these planters and wood chippings to go around them. If you know of any sources that might be able to donate materials such as these please let us know.

We are very excited about this and are planning an opening ceremony when it has been completed.
