Dear Parents

Firstly I would like to welcome everyone back after the Easter break. It has been a little while since my last newsletter and from now on I will be sending the school newsletter out on a Monday.

As most of you know, I teach all day in Ospreys class on a Thursday and Friday and I have found that trying to write the newsletter for Friday as well as giving Ospreys the attention that they need is not working. I have therefore changed the day that I write the newsletter to Monday as I am not usually teaching in class so I have time to write it and give a full account of the achievements of the week before. I will also give out the awards on a Monday as well to align the two. The children were told this on Friday and I have given out the latest awards today.

SPORTS

- The team we took to the Year 3/4 Quadkids competition at Colyton Grammar School had a wonderful time. They tried really hard especially with the 400m run which they found very challenging! We had a couple of amazing throwers and we came third place in that event. They were really proud of themselves and have requested that we do some more running in the PE lessons which I am sure can be arranged!
- I am hoping to take a Year 5/6 group to take part in their Quadkids competition and am making arrangements for this – more details will follow.
- Year 5 and 6 have also benefitted from some cricket coaching on a Friday afternoon, which they seem to be enjoying. I have also picked up some handy tips and as we say to the children, “You never stop learning.”
- There has also been a mini-tennis group for Year 3 and 4 which a group of children are currently enjoying on a Tuesday after school.

CLUBS

It was wonderful to see the children enjoying after school clubs that started last week. With a little juggling, we have managed to accommodate everyone who wanted to do each of the clubs. Please make a note of which days the clubs are on so that you don't have to make to trips at pick-up time.

There is one change – this week the chess and music clubs won't be on as we have staff training that could only be arranged on the Thursday rather than the Wednesday which is our normal staff meeting day.
