Jackdaws	Isla	Willow Ellie	Isabelle	--
Ospreys	Jasmine J	Jess	Amelia	Hana

Dear Parents

It seems amazing that we are now into the final half term of this academic year. It has been really brilliant to have been able to get all our routines back into action without the constant changes and disruption due to Covid. I must say that the school community at Kilmington really have shown grit and determination over the last two years dealing with the continuously changing rules and routines. Your support of the school has been wonderful and I can't thank you enough for all you do for this school. Schools really are a community from the youngest child to the oldest; to every family member and every staff member; and it takes everyone working together to achieve what we do.

I am proud to work in Kilmington – it is a lovely place with a fabulous team-vibe!

PGL RESIDENTIAL

This week Osprey class have been to Beam House residential centre and have had the most amazing time. They have learnt new skills; made new friends; got very dirty; got very tired (!); been well fed and done the school proud. It was a pleasure to take them away and to see them achieve new confidence and organisation. The PGL centre staff were absolutely amazing – Ellen, our group leader, got us organised every day and in for our meals at the right times and the activity leaders were brilliant with the children in every way. I am sure that they will remember the trip for the whole of their lives. We had some good memory sharing on the bus on the way back.

Many thanks also to Mrs Burleigh and Mrs Girdwood for assisting with the trip and joining me in the lack of sleep hysteria!

EVENTS

We will be finalising the end of term dates this week and will get those out to you by next week. We don't book these events in too early as there are lots of things, like secondary transition days, that we do not have any control over so we always wait until we have those dates before we book our dates in so that we don't have to keep changing things. Thank you for your patience with this.

Lee White

Head of School
